The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
H-305, the Capitol
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the project, "Freeport Police Technology and Equipment" in fiscal year 2024. The entity to receive funding for this project is The Village of Freeport, located at 46 N. Ocean Avenue, Freeport, New York, 11520. The funding would be used for purchasing police technology, equipment, and patrol vehicles. The project is an appropriate use of taxpayer funds because it is essential that law enforcement officers have the resources they need to safely do their jobs and protect the community.

The project has a Federal nexus because the funding provided is for purposes authorized in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Anthony D'Esposito
Member of Congress
